### Teachers & Staff:

The Director and Staff are Cubans; they are a professional and committed team. All have their degrees in "Filología Hispanica, Inglesa o Rusa." They all have at least 5 years experience teaching Spanish to people of different nationalities and also experience in leading cultural programs.

### Meals:

Demi-Pension, two meals a day are included in the cost. Students have Breakfast and Lunch in the school cafeteria. The food is very good and uses only very fresh ingredients. Dinner must be taken at one of the Paladares in the neighborhood. On weekends, breakfast and dinner are at the school cafeteria and lunch can be taken at a convenient Paladar. You will either be on your own or on an excursion. Please do not ask the host family to prepare anything for you. They are not supposed to. That is the way it is in Cuba now.
