

Foreign Language Learning ... can be an **Out of Classroom Experience** - Study Abroad - Middle School & High School Students

Make maximum use of limited time in a foreign country. Study abroad foreign language immersion programs that focus on conversation skills and improving proficiency.
Preparation for AP, IB, SAT and other exams.

Spanish, French, German, Italian, Portuguese, Russian, Mandarin, Korean, Japanese & more

**Summer
Academic Year / Semester
Gap Year**

Special Sessions / Groups

one week, 2 week, 3 week, etc. programs for individual students and groups can be arranged throughout the year

Live It to Learn It[®]
Live & Learn the language in a country where it is spoken.
100% Total Language Immersion

Study Abroad for students who:

- need to improve skills;
- need a refresher/review;
- want to begin a new foreign language;
- love languages and want to learn more;
- want to advance to a level not offered by their home school;
- want to experience another culture;
- want to prepare for IB, AP, SAT or other exams;

And also for those for whom learning a foreign language is not the way they prefer to spend their time. It will be a positive experience.

All Programs have been chosen for quality of:

- language instruction and materials;
- complementary cultural activities and excursions;
- the administrative staff;
- living accommodations (FLSAS specializes in Homestays, but Residence Halls are also available);
- and the variety of sports and other leisure and social activities.
